HOW TO GET THERE IN NEW JERSEY USING THE N.J. TURNPIKE

This is a listing of New Jersey municipalities with population of 2,000 or more. Opposite the names are the Turnpike interchange exits serving these places. Where the municipalities are not near the Turnpike, they can be reached by connecting roads leading from these exits. In some cases more than one exit is shown to accommodate Turnpike patrons who are southbound and those northbound, and also to provide alternate routes off the Turnpike.
